TRAINING CAMP

WITNESSING TRAINING & HANDS-ON PRACTICE

Join us for a 4-day (4-night) camp of witnessing training and outreach. Mornings are spent in evangelism training at the camp; afternoons are spent putting into practice what we learned at the Iowa State Fair, which includes helping at the Answers in Genesis gospel booth. Due to staff and space limitations, we are offering two camps this year.

YOU WILL EXPERIENCE

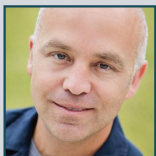

- Practical training in witnessing and apologetics
- One-on-one coaching and opportunity to glean tips from others
- Evening fellowship, sharing of reports, and Q & A

YOU WILL LEARN TO

- Transition conversations with unbelievers from natural to spiritual topics
- Think biblically about evangelism
- Pass out gospel tracts with confidence and skill
- Use creation science as a starting point
- Be winsome and gentle
- Use questions to generate discussion with unbelievers
